RE: JACKSON, Raheem  
Case No. 04-00334-001  
**REQUEST FOR MODIFICATION TO CONDITIONS  
OF SUPERVISION**

Dear Judge Walls:

On December 21, 2005, Your Honor sentenced Raheem Jackson after his conviction for Unlawful Transportation of Firearms ( 18 U.S.C. 922(g)(f)) to 51 months custody and three years supervised release with the following special conditions: DNA testing and a \$100 special assessment. Jackson was released from custody on October 24, 2008. At this time, we are requesting a modification to conditions of supervision due to non-compliant behavior.

On January 31, 2009, members of the East Orange, New Jersey Police Department initiated a search warrant at a location in the city. This warrant was based upon a three-day undercover investigation into the sale of narcotics at a local residence. During the investigation, the offender was allegedly located inside the target apartment where narcotics were being sold. At the time of the search warrant, the offender and three other males were found inside the apartment along with U.S. currency and packaged cocaine. The offender and the other suspects were detained. On March 4, 2009, New Jersey Superior Court, Essex County Judge Frasca, dismissed all charges against Jackson, at the request of the Essex County Assistant Prosecutor. This request was based upon lack of evidence and the offender was immediately released.

Jackson waived his right to a hearing and has accepted a modification to his conditions of supervision to include placement in a Residential Re-Entry Center (RRC) for a period of four (4) months. We feel local placement in an RRC program will serve as the appropriate controlling action. In addition, this will also allow the offender to benefit from the RRC, as he was previously denied prior to his federal prison release due to an outstanding warrant. Jackson will be able to obtain additional resources with respect to employment while placed at the RRC.

Thank you for your time in this matter. We have attached the Form 49 and the Probation Form 12B for your review and approval. If you have any questions, please feel free to contact the undersigned officer at (973) 645-4692.

Respectfully submitted,
